

Expand your perspective.

Confidential monthly conversations designed to reveal what a single perspective cannot.

THE MOMENT

I'm puzzled by this situation. I can't make sense of it.

Complex situations rarely become clearer by thinking harder from the same point of view. Conversation Labs creates the conditions for other leaders to surface signals, questions and possibilities you may not be seeing.

Someone sees what you didn't. A different question changes the way you frame the situation. What seemed fixed begins to open up.

GROUP

9 leaders

CURATED FOR PERSPECTIVE DIVERSITY

Each Lab brings together nine leaders from nine different industries, deliberately selected to maximize perspective diversity.

Your Lab begins once the right group of nine is complete. Labs are available in English or Spanish.

25+ years of experience • 2,000+ participants

INVESTMENT

USD 4,800 / 12 months

USD 800 to reserve your place. **USD 4,000** when your Lab is ready to begin.

RESERVE YOUR PLACE

THE RIGHT GROUP IS WORTH WAITING FOR. If your Lab isn't ready within 90 days, you decide: keep your place reserved or receive your USD 800 reservation back in full.
